WORK EXPERIENCE

Full-Stack Lead Developer
March 2016 – Present

International Automobile Association Inc, *Florida, United States*

Project leader and main developer of the company's main website project, including the front-end and back-end applications. I also developed software which connects to database system for license cards printing. Working remotely from Finland.

Chief Technology Officer
July 2009 – Present

Grey Neuron Ltd, *Ho Chi Minh, Vietnam*

Primary point of contact for critical technical issues. Also a project manager, leading team members and ensured project completion on time and within budget.

Senior Web Developer
March 2008 – June 2009

Golden Lotus Tech, *Ho Chi Minh, Vietnam*

Web designer/developer. Utilized contemporary design to create concise websites for specific client needs. Used of PHP, CSS, HTML, JavaScript, MySQL, online payment features, and form processing.

EDUCATION

Master of Science
September 2018 – Present

Lappeenranta University of Technology, *Lappeenranta, Finland*

Studies focused on applying intelligent information processing, methods of computer vision, machine learning and artificial intelligence to solve information processing problems.

Bachelor of Science
October 2004 – May 2009

University of Information Technology, *Ho Chi Minh, Vietnam*

Studies focused on programing, IT project management, multimedia design, technical planning, and business case analyses. Created working prototypes for numerous website projects.
